WORKSHOP DESCRIPTIONS

SESSION 1

9-11 A.M.

TAKE ACTION

Whether you are working with Daisies completing their first Take Action project or Girl Scout Ambassadors starting the Girl Scout Gold Award, explore the steps to taking action and making the world a better place. Discover the difference between a community service project and a Take Action project. Learn how to use the steps of a Take Action project to help girls come up with ideas for projects that are sustainable, and educate and inspire others to be part of the change or solution.

GO FOR BOLD WITH COOKIES!

Go for Bold! with the 2019 Cookie Program. Join us on a journey through the Cookie Program and discover the patches, activities, and rewards girls can earn as they practice the five skills (goal setting, business ethics, people skills, money management, and decision making). Uncover tips and tricks to reach and support Girl Scouts on their entrepreneurial adventure to BOLD!

LETTING GIRLS TAKE THE LEAD

Explore how to build a healthy team environment by controlling less and influencing more. Discover ways to empower girls to lead and make their own decisions.

TROOP TRAVEL WEBINAR

Does your troop want to go on an adventure and you're not sure where to start? Join us as we venture through the steps of planning a troop trip, whether it's across the state or across the country. Learn how to start the conversation, what you need to be aware of, how to complete the needed paperwork, and ask your travel questions! All are welcome, even if you aren't currently planning a trip. *This workshop fulfills GSOH training requirements for level four and five troop travel.*

COMIC ARTIST

Join other Girl Scout super heroes as we learn to share our stories through comics. Discover tips to create a story, draw it, frame it, and add in words to create an inspirational comic to show others what they'll love about being a Girl Scout volunteer.

CAR DESIGN CHALLENGE

Join us on an adventure through the Design Thinking Process and use it to complete a hands-on Model Car Design Challenge. *Engineering experience not required.*

ART INSPIRED BY NATURE

Join us as we create and design with nature. Discover ways to get girls outdoors while making music, jewelry, and naturally inspired gifts.

CELEBRATE WITH CEREMONIES

Celebrate a special Girl Scout day like World Thinking Day or welcome new members with an Investiture Ceremony. Ceremonies help girls share in a special Girl Scout tradition and create their own cherished memories. Discover tips and tools available to help girls plan, implement, and evaluate memorable ceremonies.

SESSION 2

NOON-2 P.M.

FINDING COMMON GROUND

Learn techniques for finding and building on common ground. Explore ways to get to know someone different than you, make decisions in a group, and negotiate to solve problems and work together to make the world a better place. Discover how to build trust and connect with others in creating stable solutions that bring people together.

GO BOLD WITH COOKIES!

See description in Session 1.

MENTAL HEALTH FIRST AID

Conversations about mental health don't have to be awkward! Just as CPR helps you assist someone having a heart attack, Mental Health First Aid helps you assist a person experiencing a mental health crisis. Learn more about mental health, risk factors, and warning signs.

JOIN US FOR A TEA PARTY!

Place your hat on jauntily and join us for a cup of tea and delightful conversation. Learn about different kinds of herbs and create your own special tea blend.

SESSION 2

NOON-2 P.M.

TEXTILE ARTS FOR A CAUSE

Explore the world of textile arts and how to create a project that makes a difference. Discover a variety of textile arts like quilting, sewing, embroidery, and knitting and how to use them for warmth, support, or inspiration for a cause.

BOARD GAME DESIGN CHALLENGE

Discover how Design Thinking can help you create a fun board game. Explore the concepts of innovation and team building while creating solutions to educate and inspire others through fun.

PROTECTING MOTHER EARTH

We value and protect Mother Earth because every living creature needs her to survive. Learn how to identify an issue you are passionate about and come up with a solution, advocate for the cause, and teach others about it.

BEYOND THE GIRL SCOUT BADGE

Explore what Girl Scouts do! There are many opportunities outside of Girl Scout proficiency badges and Journey Awards that girls can earn. Join us as we share awards available at each level to show a girl's faith, safety skills, and leadership. And, discover how to get girls started on earning Girl Scouts' highest awards.

SESSION 3

2:10-4 P.M.

ADVOCATING THROUGH ART: COLLAGE ARTIST

Uncover the creative possibilities in every day objects as you build a collage. Explore how composition and color can help you share a powerful message through art while creating a unique "Why Girl Scouts?" collage to inspire others to get involved.

MONEY! MONEY! MONEY!

Learn to guide girls in building a budget to finance their BIG DREAMS. Join us on a financial journey and explore fun ways troops can earn, spend, and save money for activities and adventures. Discover girl-led techniques to help girls identify their needs and wants, research money earning projects, and create a budget for their Girl Scout adventures.

SESSION 3

2:10-4 P.M.

CYBERSECURITY

Venture into the world of cybersecurity and learn how protect internet-connected systems from digital attacks aimed at stealing identities, destroying sensitive information, or interrupting business practices. Discover steps you can take to keep you and your girls safe on the internet.

SPEAK WITH CONFIDENCE

What is the best part of Girl Scouting? Discover new storytelling techniques and create an elevator speech to share your own experiences and inspire others. Join us as we practice and hone our stories to spread what we love about Girl Scouts.

PHOTOGRAPHY

Bring a camera and explore different camera modes and tools to create the perfect picture. Discover how to use photography to explore outdoors and create illusions. Learn to edit your photos and turn them into a special keepsake.

ROBOTICS 101

Join us as we explore the world of robotics! Learn all about robots, the systems that make up a robot, programming, and more! Discover the resources and tools available to help you look like an expert as you help girls earn their Robotics badge.

HUNT FOR TREASURE

Discover the fun of letterboxing and geocaching on a modern day treasure hunt. Make your own letterboxing stamp, search for treasure using clues or a compass, and find a geocache using GPS coordinates.

GIRL SCOUT SNACKS

Join us as we share some of our Girl Scout snack favorites that are just as fun to make as they are to eat. Have dietary restrictions? We'll show you where to turn to provide delicious, safe snacks for everyone.
