Sign up for other fun opportunities

- Earn troop funds:** Sell Girl Scout Cookies in the Girl Scout exhibit area.
- Volunteer:** Work as an activity assistant. Girl and adult help also needed for special day programs.
- Carry the banner and flag:** Show your Girl Scout pride by participating in the daily parade.
- Visit** the Girl Scout exhibit area during the fair and participate in daily events.

SWAPS Day
SWAPS are Special Whatchamacallit Affectionately Pinned Somewhere and they are a favorite Girl Scout tradition! Stop by the Girl Scout exhibit area and learn to make a few SWAPS of your own. You can even bring a favorite SWAPS to display at the fair!

STEM Day
Get your brain moving and stop by the Girl Scout exhibit area to get hands-on experience with science, technology, engineering, and math activities. Everyone is welcome to participate in the fun of STEM!

Dairy Detective
Visit any of several tables in the booth and learn about milk and other dairy products.

Cardinal Derby
Design your own girl-powered car and bring it to the fair to race against other Girl Scouts! Cars must be made from the official Pinewood Derby kits (these can be found at Michaels stores or other local craft stores). Get creative and see how fast your car can go!

Ready, Set, Go Camping
Explore the world of wilderness skills in this exciting indoor twist on outdoor fun. Play games, make a track book, and do activities designed to show how fun the outdoors can be!

Art Day
Get creative and try many different forms of media throughout the Youth Center during Art Day!

G.S.I. Detective Day
Calling all Girl Scouts: Come hone your Investigator skills at our GSI Detective Academy! Here you will use your senses to focus in on the world around you, learn to communicate in code, try out detective science, and learn how to uncover the truth. This isn't just a day of fun and discovery! Brownies will complete many skills for the Senses Badge, Juniors for the Detective Badge, Cadettes for the Special Agent Badge, and Seniors can check off steps toward the Truth Seeker Badge.

Design Challenge
Join us for our first state fair design challenge. Girls will be given a box of supplies and will use the supplies to create something that fits the theme within a certain time limit.

Float Decorating Contest
Troops can submit a design/theme for decorating the float used by Girl Scouts during the daily state fair parade. The committee will choose the winning design and the winning troop will decorate the float the weekend before the fair opens on July 24. The winning troop will receive a cash prize of \$100, additional money for supplies, and recognition on the float.

Patches!
Anyone visiting the Girl Scout exhibit area can purchase a commemorative patch. Enter a project in the fair AND march in one of the parades to satisfy the key requirements to earn a special patch available only at the fair. *The remaining earned patch requirements can be completed in a one day visit to the fair.*

For additional details, entry categories, entry forms, registration, and information about other planned activities, see the Ohio State Fair information on council websites in late February.
