

Girl Scouts across Ohio are invited to unleash their creativity and design a patch for the Ohio State Fair. The winning design will be created and sold at the Girl Scout booth!

Design a patch that will impress the judges, the volunteer Girl Scouts Ohio State Fair Committee, and if you win, you'll receive free admission to the fair and additional prizes.

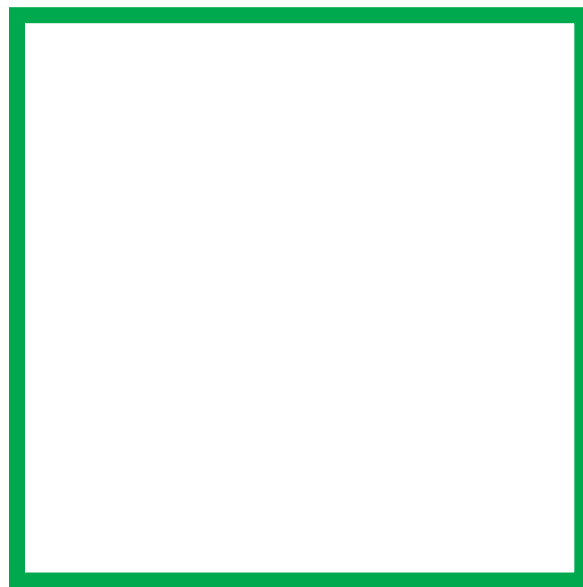

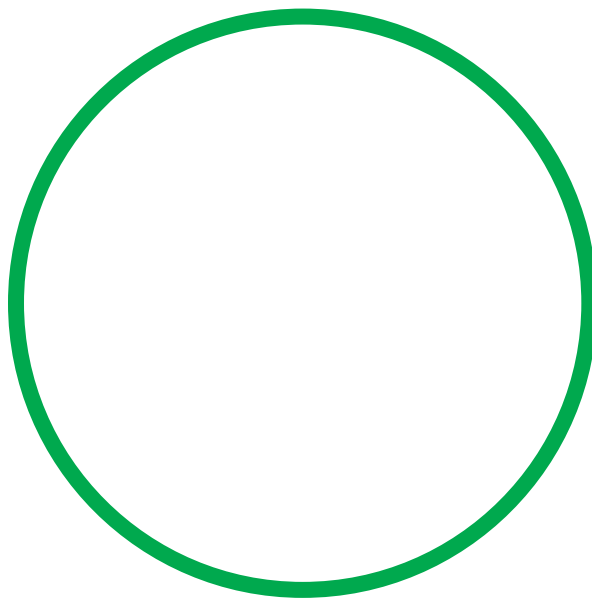

WHAT GOES INTO THE PERFECT PATCH?

- It must include "Girl Scouts" "Ohio State Fair" and the year.
- Your design should fit into a three-inch circle or square.
- Choose one color for the background and no more than five colors for the design.
- Submit your design by **April 1st**.

Use of the Girl Scout emblem cannot be superimposed on anything due to GSUSA regulations.
