

Girl Scout Registration

1 On Saturday, January 1, all Girl Scout caregivers will receive Digital Cookie registration emails from email@email.girlscouts.org.

Add email@email.girlscouts.org to your safe senders list so you don't miss any emails!

Click "Register Now" to go to the Digital Cookie registration site and create your password.

You will receive a registration confirmation email. Keep it somewhere handy during cookie season.

**If you didn't receive a registration email, see the ["No Registration Email"](#) tip sheet.*

2 Log in using the email address where you received your registration email and your new password.

3 When you first log in, you will have the "Safe Selling for Smart Cookies" safety video pop-up to watch and review with your Girl Scout(s). You can't proceed any further until the full video has been viewed.

4 Read and accept the Terms and Conditions agreement. If you are a volunteer, you will first see an additional Terms and Conditions for Volunteers.

For Girl Scouts Younger Than 13:

1 The "Girl Scout Safety Pledge" will appear. Read it to/with your Girl Scout(s) then check the box for "accept" and click "continue."

I, Taylor Smith, accept the Digital Cookie Safety Pledge.

[Cancel](#) [Continue](#)

2 You will then be taken to a screen to register your girl or girls for the Digital Cookie program.

After registering all your girls (if you have multiple girls), you will click the "Access Site" button to be taken to the first girl's home page.

Digital Cookie Registration

Register your Girl Scout to participate in Digital Cookie. She'll get access to the Digital Cookie Platform where each Girl Scout can set up her cookie site and goals, manage orders and learn marketing business skills.

Girls 13 and older can add their own email address. This allows them to manage details for their cookie site.

Digital Cookie Status	Girl Scout	Date of Birth	GSUSA ID	Troop	Preferred First Name*	Girl Email Address	Action
Register	Darcy Li	07/01/2013	9999998994	12361	---	---	---

[ACCESS SITE](#)

Once you have registered, watch your inbox for a registration confirmation email and save this email where you can find it during cookie season!

For Girl Scouts 13 or Older:

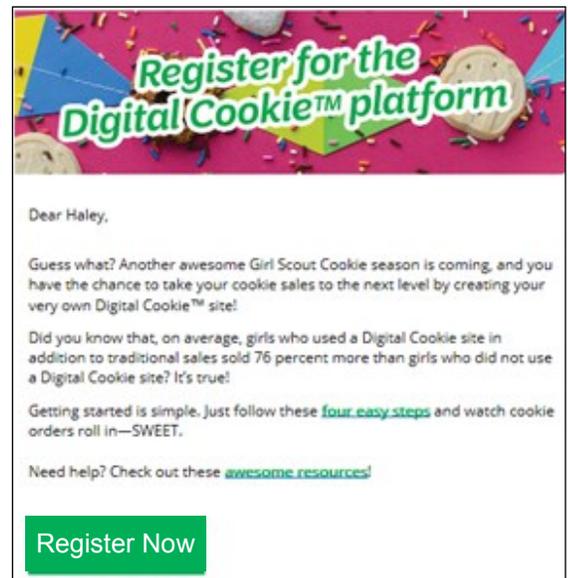

1 After agreeing to Terms and Conditions, you will be prompted to register all girls associated with your email address.

Click “Register”

- Enter their preferred first names.
- If the girl is over 13, you have the option to also enter an email address for that girl so she can manage her digital cookie site herself. If she doesn't have her own email address, you can create one and not share the password with her—simply use it to access the registration emails for the Digital Cookie site. It can't be the same email address used for anyone else, such as a parent or another girl.

2 The girl will then need to check her email inbox for an email from “Girl Scout Cookies”. Girls should be sure to add email@email.girlscouts.org to their “safe senders” list so that this email goes to their inboxes and not to junk/spam/promotions email folders.

When she gets the email, she simply clicks on the green button to be sent to the Digital Cookie website where she will be able to set her password.

3 The Girl Scout will need to complete the same steps to set up a password that her parent completed, then she will be taken to the *Safe Selling for Smart Cookies* video. She can't proceed further until the full video has been viewed.

After she has read the pledge, she can click the box to accept it and then click “Continue” be taken to the home page of her site to set it up.

I, Taylor Smith, accept the Digital Cookie Safety Pledge.
