

Stay connected with Girl Scouts!

Join the Girl Scouts of Ohio's Heartland Alumnae Association to learn about the amazing things Girl Scouts are doing today and how you can help.

No matter how you were involved with Girl Scouts—Brownie for a year, Gold Award Recipient, a Juliette—you're forever part of a 59-million-strong network of Girl Scout alumnae with success stories to tell, and memories to share.

Our alumnae association brings together women who want to reconnect with Girl Scouts and make an impact on our leaders of tomorrow. Reconnect with Girl Scouts and continue your journey through networking, career development, volunteer opportunities and special events.
