

## Annual Family Partnership Campaign

*One Gift...One Girl...One Future*

*You have already recognized the value that Girl Scouting provides your daughter. You have probably seen firsthand how it can excite her about new skills and build her self-confidence. Perhaps you've seen your daughter participate in a community service project, or begin to develop a sense of civic pride and responsibility.*

Family Partnership is your opportunity to financially invest in the future of Girl Scouting. While each family pays the direct costs associated with their daughter's participation, we rely on contributions to help defray the overhead costs associated with program delivery. It also provides financial assistance so that girls of limited means – often the ones who need the benefits of Girl Scouting the most – can receive financial aid.

Traditionally, Girl Scouts hasn't asked for much financial help, but we are asking for your help now. Please give whatever you can afford to support an organization that helps your daughter learn courage, confidence, and character. Any family who donates \$30 or more will receive a Family Partnership patch for each of your registered daughters.

**Your Family Partnership donation is fully tax-deductible.** Please fill out and return the donation form below. You may also donate by checking the donation box on the Girl Scout membership registration form. For more information contact the Philanthropy department at: [ddeweese@gsoh.org](mailto:ddeweese@gsoh.org).

*"Girl Scouting is important enough to me and my family that I am willing to help support it."*
