

MY FAMILY FLOWER

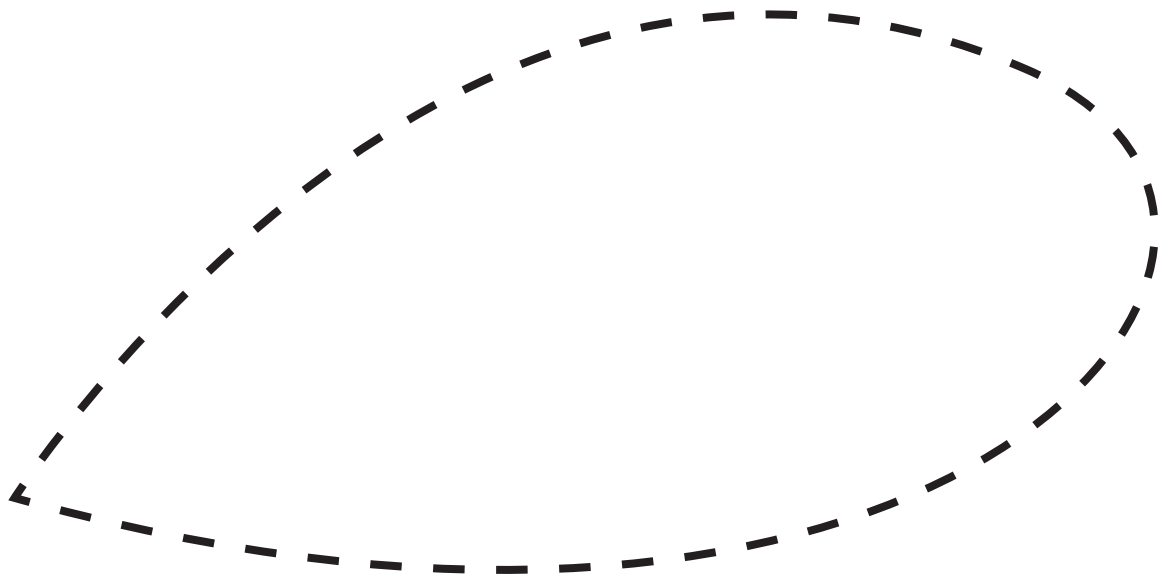

ALL AGES

Supplies needed:

- Construction paper
- Scissors
- Pencils/Markers
- Glue

Instructions:

1. Trace some flower petals onto the paper using the guide provided below and cut a rectangle for a stem
2. Cut out the petals and stem
3. Glue together a flower using the cut petals and stem from construction paper.
4. Ask each member in your family or your friends what their favorite positive characteristic is. Ex; compassion, honesty, responsible.
5. Write one characteristic in each petal.
6. This activity shows that all the differences in families can make beautiful flowers together, and each petal helps you understand your family better.
