Manage your troop through the eBudde website or app

eBudde is where sales are recorded so Girl Scouts get full credit for their hard-earned rewards. It also offers calendar reminders, reports, training and more — on either your desktop or mobile device.

Troop Cookie Program Coordinators will be added to eBudde on a rolling basis beginning November 21, 2025 as the following eligibility requirements are met:

- Registered for the 2025-2026 membership year.
- Completed gsLearn Cookie Training and TCPC Volunteer Responsibility Form.
- Troop has current Troop Finance Report and ACH form on file with council.

Easy as 1, 2, 3

1 Download the eBudde app.

2 Watch eBudde Training Videos on YouTube

Watch videos

3 Set Up Your Troop — once you've been added to the eBudde system, you'll receive an email with your login information. Login to review your roster and goals and begin managing your troop's Cookie Program.

? Help is a Click Away

Simply tap the question mark icon for quick access to additional information and instructions.

Top tips

Contact Service Unit Cookie Volunteers

Your Service Unit Cookie Volunteers' names and email addresses are displayed on your eBudde dashboard for easy access if you need help.

Contact Caregivers

Use eBudde to communicate directly to caregivers. You can send deadline reminders, booth openings, cookie inventory info and more!

Download Reports

- Use the Girl Initial Order report to sort cookies for easy pickup and receipt writing.
- Check the Sales Report to see troop proceeds and amount due to council.
- Run the Cupboard Report for a list of cupboard locations, hours, and contact information.
