## Our Mission

The purpose of the Cultural Assets Team at Girl Scouts of Ohio's Heartland is to collect and preserve objects of a historical nature related to Girl Scouting and its members, especially in the council area, and to promote interest in and disseminate information about the history of Girl Scouting within Ohio, the country, and the world.

It is through your gifts that the Cultural Assets Team can fulfill its purpose. The committee is happy to accept gifts of any Girl Scout related items: uniforms, equipment catalogs, dolls, handbooks, newspaper articles, other publications, memorabilia from council events, etc. Your gifts will be well preserved, used or displayed for present and future generations of Girl Scouts. Girl Scout history is a treasure hunt into the past that you can help the team map!
